Backbeat the word was on the street
That the fire in your heart is out
I'm sure you've heard it all before
But you never really had a doubt
I don't believe that anybody feels
The way I do about you now

And all the roads we have to walk along are winding
And all the lights that lead us there are blinding
There are many things that I would
Like to say to you
I don't know how

Refrain x4 : mesures 10 et 11 x15, coda

Today is gonna be the day
That they're gonna throw it back to you
By now you should've somehow
Realized what you gotta do
I don't believe that anybody
Feels the way I do about you now

*Because maybe
You're gonna be the one who saves me ?
And after all
You're my wonderwall*

Today was gonna be the day?
But they'll never throw it back to you
By now you should've somehow
Realized what you're not to do
I don't believe that anybody
Feels the way I do
About you now

And all the roads that lead to you were winding
And all the lights that light the way are blinding
There are many things that I would like to say to you
I don't know how

Refrain x2

Said maybe
You're gonna be the one that saves me (x3)
